WOW!! Your dream backyard is here! HUGE cul-de-sac lot that backs to a wash, providing spectacular sunset views and privacy. There is a 24,000-gallon heated diving pool, and a custom sport court that will make you the envy of the neighborhood. The interior is just as impressive-- Vinyl plank flooring throughout the entire house (NO CARPET!), remodeled kitchen with white shaker cabinets, Taj Mahal quartz counters, and stainless appliances, new paint, upgraded bathrooms including a custom tiled shower, and much more. 3 bedrooms plus a loft that could become a 4th bedroom. The HVAC system was replaced in 2025, and the water heater in 2024. This incredible home even comes with new exterior paint and a NEW ROOF. Located in Maricopa's only golf-course community, this is a must see!
